HELPFUL HINTS

To assure the highest quality and utmost freshness, we hand slice and/or prepare all our fine meats, cheeses, fruits, vegetables, breads and desserts daily.

For your convenience and accurate pricing, please have in mind the number of people to be served and budget requirements when placing your catering order.

If your needs require a party tray or box lunch not listed, we will custom prepare any tray to suit your specific needs or occasion.

YOUR CATERING ORDER

At least a 24 hour notice is greatly appreciated. Of course it is always best to give us as much advance notice as possible. To assure freshness from day to day, we try to prepare only what is needed according to our catering schedule and in-house customers. However, if you have a last minute request, we will be very happy to do everything possible to prepare your order when you need it. We appreciate you thinking of us and understand you may not have received sufficient notice regarding your catering needs, so we will try our best to accommodate catering requests on short notice.

DELIVERY

We very much appreciate your catering order, so our delivery service is always free. Delivery is usually available depending on the time your order is needed, the location and the catering delivery schedule in place that day. Delivery minimums and delivery area considerations apply.

PAYMENT
